| 19 January 2026                      | 1               | 18 January 2029                 | 2                   |
| Revision Date                        | Revision Number | Original Certificate Issue Date | Scheme Number       |
| 19 January 2026                      | 0               | 19 January 2023                 | n/a                 |

For detailed explanation for the data fields above, refer to <http://www.urs-holdings.com/logos-and-regulations>  
The certification referenced above is accomplished pursuant to SERI's R2 Code of Practices through an audit of a sample of the certificate holder's facilities and/or activities within the limited written scope appearing on this certificate. Certification is not a comprehensive validation or verification of all conditions. The R2v3 Standard is offered "AS-IS" and without warranty, and any reliance otherwise, by the certificate holder or any third party, is expressly disclaimed by SERI. The use, display, and reference to the R2v3 Certification Mark printed on this certificate is governed by license agreement(s) entered between the certificate holder and SERI. Certificate authenticity and validity can be verified at <https://r2directory.org>.
